Georgios

This visit to Limassol is one of the most memorable stops in my 30 Years of Sailing.

Putting everything together in less than 8 hrs was nothing short of Remarkable!

The Crew is 'hammering' about wanting to return, as am I. The Tours, Food, People are warm and friendly, and the Seaside location all add to you and your staff's Professionalism.

You have a wonderful group working with you.

Thank you for the wonderful Pourekia, they were unexpected, and the yogurt will not go to waste.

Thank you again

Sincerely, until next time
